

Third Party, Fire & Theft Wording

Liability to others plus fire and theft of your vehicle. No own-damage collision cover.

This is a fictional specimen policy wording created solely for a software demonstration. It is not a real insurance contract and confers no cover.

1. Purpose of This Cover

Third Party, Fire & Theft (TPFT) is a narrower level of cover than Comprehensive. It protects You against liability to others and against loss of the Insured Vehicle by fire or theft, but it does NOT cover accidental damage to Your own vehicle in a collision.

2. What Is Covered

- Third Party Liability: death or injury to other people and damage to their property, up to the limit in Your schedule. Always included.
- Fire: loss of or damage to the Insured Vehicle by fire, external explosion, self-ignition or lightning, subject to the Fire & Theft excess.
- Theft: loss of or damage to the Insured Vehicle by burglary, housebreaking or theft, subject to the Fire & Theft excess.
- Emergency legal defence costs following an insured incident, where We agree in advance.

3. What Is NOT Covered

Because this is not Comprehensive cover, the following are excluded (this list is in addition to the General Exclusions):

- Accidental damage to Your own vehicle from a collision, overturning or vandalism. (This is only covered under a Comprehensive policy.)
- Windshield and glass breakage on a standalone basis (no glass cover under TPFT).
- Personal Accident benefit for the driver (available under Comprehensive only).
- Flood, storm and water-ingress damage to Your own vehicle.
- Any add-on such as Zero Depreciation, Hire Car or Roadside Assistance unless separately endorsed.

4. General Exclusions

- Driving without a valid licence or while under the influence of alcohol or drugs.
- Use outside the Use Class shown in the schedule, or for racing, speed testing or track use.
- War, terrorism and nuclear risks.
- Wear, tear, depreciation and mechanical or electrical breakdown.
- Vehicles knowingly driven through flood water.

5. Excess

A Fire & Theft excess (shown in Your schedule) applies to each fire or theft claim. There is no Own Damage excess because own accidental damage is not covered.

6. No-Claim Discount and Territorial Limits

The No-Claim Discount scale and the Territorial Limits (United States, with Canada touring up to 60 days) apply exactly as set out in the Comprehensive wording. A fire or theft claim will reduce Your NCD at renewal unless NCD Protection is shown in Your schedule.

7. Upgrading to Comprehensive

You may upgrade to Comprehensive cover at any time to add own-damage protection, windshield cover, personal accident benefit and eligibility for add-ons. Contact Us or ask the policyholder assistant to arrange a callback with a licensed advisor.
